TEZPUR-'THE CULTURAL CAPITAL OF ASSAM'

The word "Tez" in Assamese means blood, and the word "pur" means a place, a city or a town, thus meaning, a city of blood; the blood that sustains life.

True to its name, Tezpur has been an important hub of the literary and cultural life of Assam from ancient times. The famous battle of Hari and Hara, the romantic episode of Usha & Aniruddha, the artistic talent of Chitrlekha are a few instances of the past glory of which Tezpur can boast of. Now, it becomes an academic nerve-centre which is bejeweled by Tezpur University, Indian Statistical Institute, LGB Regional Institute of Mental Health, Girijananda Chowdhury Institute of Management and Technology and Tezpur Medical College and Hospital and soon

Even in recent times cultural icons of Assam like Roop Konwar Jyoti Prasad Agarwalla, Kala Guru Bishnu Prasad Rabha, Nata Surya Phani Sarma, Sahitya-Acharya Padma Nath Gohain Baruah and Sudhakantha Dr. Bhupen Hazarika had immensely contributed to Assam and to the entire north-east by making Tezpur as their working platform. It is perhaps due to these and some other justified reasons, Tezpur is rightly called the Cultural Capital of Assam.

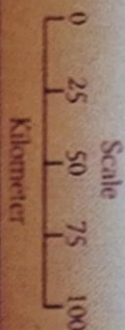

LOCATION. NATURAL BEAUTY AND CONNECTIVITY

Tezpur is located on the north bank of the mighty Brahmaputra. It is said to be the most beautiful town of the Brahmaputra Valley. Having three small hills on its southern flank, and a number of natural drains called 'Hola', Tezpur is naturally protected from the twin problems of flood and water logging which the other towns of Assam have to face. The famous Kaziranga National Park is situated to its south east, and the Nameri National Park a few kilometers to its north in addition to its own adjacent hills like the Agnigarh, Bhairabpad, Bamunipahar, Ouguri and Bhomoraguri hillocks together with a number of beautiful parks within its heart, make Tezpur a truly evergreen and the most beautiful town in the entire Assam valley.

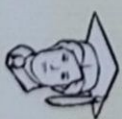

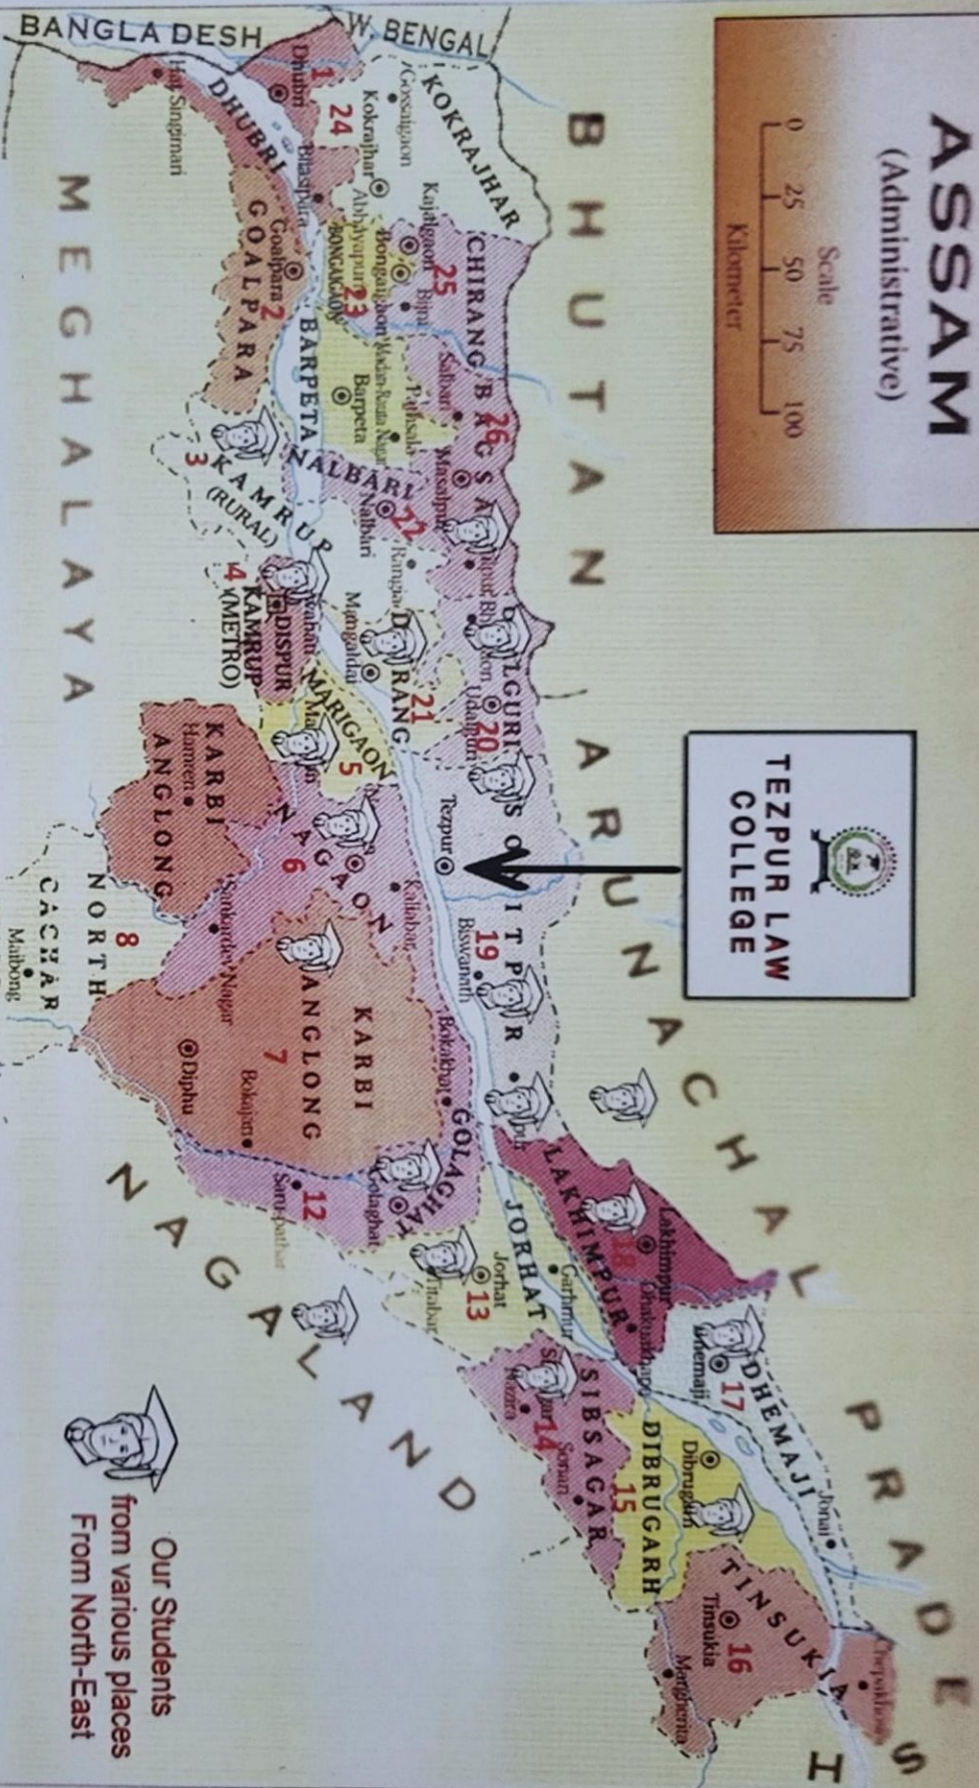

Tezpur is well connected with the rest of the State and the country by road, rail and air, National Highway 15 and the National Highway No. 37 (A) connects Tezpur with all major cities and towns of Assam and of the entire North-East. Tezpur is considered as the doorstep of our beautiful neighbouring State, Arunachal Pradesh. The Districts of East Kameng, West Kameng, Tawang, Papumpare, Lower Subansiri, East Siang and West Slang of Arunachal Pradesh are easily accessible from Tezpur by road communication.

It is the fruit of the hard labour, untiring efforts and selfless service to the cause of legal education rendered by the legal luminaries and social visionaries of Tezpur, both of the past and present. We are grateful to them all.

Being deeply committed to educational excellence in the field of Jurisprudence, the college has gained a well-earned reputation for the quality of its own. Justice Iqbal Ahmed Ansari, Former Hon ble Judge, the Gauhati High Court and Chief Justice (Retd), Patna High Court is the pride product of Tezpur Law College, as he is the star alumni of this premier law institution. In the recent results a number of students of Tezpur Law College have qualified for Assam Judicial Service.

The college is a self-sustained entity having an eco-friendly campus and almost all the required infrastructure like well-equipped class rooms, a well-stocked library with a suitable reading room a E-library, a modern Moot Court Hall, Legal Aid Clinic cum Counseling Cell etc. are the physical assets of Tezpur Law College, besides about a dozen highly qualified experienced and dedicated faculty members as the strength, true human resource and asset of the college. With their selfless service and devotion to duty of imparting legal education to the students of the college we have been able to produce a number of law graduates who are adorning the coveted posts and positions in the Judiciary. Moreover, the college has produced innumerable brilliant and successful lawyers.

We look forward for active participation by one and all in our quest for transforming Tezpur Law College into a centre of excellence in imparting and promoting law education.

VISION & MISSION

The vision of the Tezpur Law College is to provide justice-oriented education essential for the realization of values enshrined in the Constitution of India.

To transform the “Legal Education into Justice Education” to meet the new challenges and dimensions of globalization through legal knowledge, research and service to the community.

To prepare the legal professionals who will play decisive leadership roles, not only as advocates practicing in courts, but also as academics, legislators, Judges, policy makers, public officials, civil society activists as well as legal counsel in the private sector, maintaining the highest standards of professional ethics and a spirit of public service.

To initiate a path breaking legal research in order to create new legal knowledge and ideas that will help to meet the challenges in a manner responsive to the needs of the country and ideas and goals of our Constitution.

From the Principal's Desk

Tezpur Law College was established in the year 1972 by some veteran social engineers to provide legal education to the entire region, it is said that every great event that takes place brings new changes and new horizons to the world. Such an event was the starting of the Tezpur Law College.” Their mission and objective was to promote and provide legal education, particularly in the Northern part of Assam and this aim created a sensation in the educational history in this region.

The environment today is totally different from the one in 1972; yet the noble mission of the founding fathers of the Tezpur Law College is pursued with same zeal after completing 50 years in the fulfillment of the vision and mission of providing legal education to serve the cause of the human community.

The society which is based upon justice, equality and equity always plays a pivotal role in building the next generation with a sound mind to become forerunners of the Society. This social thrust will produce great changes in the life of common people of the region. Therefore, in the interest of the welfare of the society and to facilitate and to contribute to the cause of justice, it is imperative that the legal education and the institutions run in a proper way in order to make law an efficient instrument of social development. Apart from this, in order to make our coming generations competent enough in the competitive climate of globalization, it is most crucial that our society plays a responsible role and unless it is done, our culture and economy may be in crisis. Hence, it is the demand of the time to advance and disseminate the knowledge of law & to make legal education an efficient instrument of social development and the legal institutions must grow according to the needs of the society.

So keeping in mind the above ideology and with a just cause as commitment towards society in the field of legal education, Tezpur Law College has already introduced 3 year LL.B. & 5 year BA LLB under the affiliation of Gauhati University which is recognised and approved by the Bar Council of India. From 2016 to 2024, 2 year LL.M. Course was also offered in the College which was also affiliated by Gauhati University. With the blessing of you all well-wishers, I hope that one day, this College will be the Legal Education Hub” for its Academic Excellence and will be a source of inspiration for other legal institutions.

With these few words, I take the opportunity to welcome you all students who want to be a member of the Tezpur Law College family.
